## **Security**

- Checking in at the mirrored building security office may take a few minutes, so plan accordingly.

- **You will need to provide your name and photo ID.**
- After verifying your identity, security will provide you with access to the office building elevators.

Take one of the office building elevators (bank 14-22) to the **NCCTO** on the **20th Floor**.

If your name is not on the list for whatever reason, floor access will be denied. In which case you will need to call the **NCCTO** for immediate assistance (**800.969.3926, Extension 2**).

Entrance to the BB&T Center/Building from the **first floor, street-level front doors** is the **easiest** way to get to the NCCTO on **Saturdays** (as described above). However, some candidates may arrive at the BB&T Center via the **Overstreet Mall indoor walkways** that bring them into the BB&T Center on the **third floor**.

## **Saturday Entry, OVERSTREET MALL LEVEL (3<sup>rd</sup> Floor)**

On Saturdays, office building elevators located on the 3<sup>rd</sup> floor will not take you to the 20<sup>th</sup> floor.

Candidates who enter the BB&T Building through the indoor Overstreet Mall (IF OPENED ON SATURDAY) or from the third-floor parking garage need go down to the 1<sup>st</sup> floor by using the **parking elevators** between Dunkin' Donuts and Zen Taco. Then follow the security procedures (Page 2).

## **BB&T Parking Garage**

Parking on 3<sup>rd</sup> floor:

Saturday candidates who park on the **third floor** will enter through either the upper or lower 3<sup>rd</sup> floor entrances, if opened (otherwise find stairs or elevator to go to street/1<sup>st</sup> floor level and follow directions on Page 1). Take the parking garage elevators **to Floor 1**; then will follow the security procedures (Page 2).

## Parking on 1<sup>st</sup> floor:

Saturday candidates who park on the first floor will enter the building through the “red entrance”. Security office will be on the right as you enter. Then follow the security procedures (*Page 2*).

## All other floors:

Candidates who park on Floor 2 or Floors 4-11 will take the parking garage elevator to the first floor and then follow the security procedures (*Page 2*).
